# SAFE Notice 2010

Number: 2-1350

## Moss Vale

### Argyle Street Bridge Repairs Terminating down direction Cityrail services

From Sunday 18<sup>th</sup> July 2010 until Monday 19<sup>th</sup> July 2010 daily between 1000hrs and 1500hrs the following working will apply to allow down direction Cityrail services to terminate and form up services on the up platform at Moss Vale.

In exception to ANWT 306 Track Work Authority the minimum distance between the worksite and the Inner Handsignaller of 500m will be reduced to 250m.

The working below must be adopted for the termination of Cityrail services at Moss Vale to allow the worksite at Argyle Street Bridge to be protected.

The Network Controller at NCCS must obtain the following assurances from the Protection Officer prior to allowing an unsignalled movement via 137 points to the Up platform at Moss Vale:

- A stop sign has been erected in the four foot of the Up main at the country end of Moss Vale Platform and detonator protection has been applied.
- The stop sign is attended by a qualified worker.
