Effective To:

11/03/2024

Time2:

0015

Reference Documents:

Train Alteration Advice:

0146-2024

General Details / Operating Condition:

Authorisation is given to QUBE to occupy the Boambee Beach Loop Line from 0245hrs Friday 8th March 2024 until 0015hrs Monday 11th March 2024, to permit stabling of QUBE train 6BW7 left unattended in accordance with the following instruction:

When stabling Train 6BW7, the competent Rail Traffic Crew member must ensure the following is provided:

- 51 and 52 points have been returned to the normal position and have been secured using point clips and SL locks, and
- 100% of handbrakes are applied on the locomotives, stabled wagons and secured.

The Network Controller at Junee NCCS will be responsible for the following:

Prior to permitting the stabling of Train 6BW7 (being left unattended on the Loop Line at Boambee Beach), the Network Controller must obtain an assurance of the following:

- 51 and 52 points are set for the Main Line and secured using point clips and SL locks, and
- 100% of handbrakes are applied to the locomotives, wagons and secured, and
- That an appropriate entry has been shown on the Train Control Graph detailing the train has been stabled on the Loop Line. The entry is carried over on to the next day's graph until Train 1NW7 departs, and
- Blocking facilities have been applied to prevent the operation of 51 and 52 points.

Preparation of Train 1NW7 in readiness for departure

The Rail Traffic Crew must not remove the point clips and SL locks from 51 and 52 points until authority is given by the Network Controller.

Safeworking Arrangements:**Additional Details:**

The work must be carried out as per the appropriate ARTC Network Rules and Procedures.

Recipients must ensure this Notice is circulated to and understood by all personnel affected by, or needing to know, its content.

This Notice must be issued to all affected Competent Workers.

Competent Workers who receive this Notice must follow the requirements.
